

North Lancs. League Team

Report May 2010.

The sub-league team travelled to Hyndburn for their 3rd gala of the season knowing a strong performance would cement their position at the top of the table. The team's total of 148 points was enough to secure 2nd place on the night behind Pioneer but well clear of Lancaster and Garstang. They go into the final round knowing a similar result will guarantee them promotion as League Champions and like Blackpool FC, would start next season in the top flight! Girls Captain, Rebecca Fausset once again dominated the open age events winning both the freestyle and backstroke. Beth Humphries performed strongly to win the 12/u freestyle as did Emma Wellard to win the 12/u breaststroke. The 14/u girls of Rebecca Robinson, Rebecca Williams, Katie Lawson and Lucy Wetherill were victorious in their freestyle relay. Standout performances for the boys were from Joe Booth who won the 12/u freestyle, Justin Worthington who won the open age backstroke and James Parkinson who stormed to victory in the open age freestyle event. Worthington and Parkinson were joined by Jack Stanney and Jacob Hancock for a formidable performance to win the open age freestyle relay.
