

## **Report of Fleetwood Sub-league fixture at Lancaster.**

Fleetwood Swimming Club headed north to Lancaster for round 2 of the sub-league and continued where they left off in round 1. Despite being shorn of a clutch of swimmers due to injury and the 'Icelandic Volcano Eruption' causing havoc with swimmers being stranded across Europe the team stepped up to the mark and proved once again Fleetwood are a force to be reckoned with. Amassing an impressive 151 points they destroyed the challenge of Lancaster, Carnforth 'B' and Pioneer 79 of Accrington.

Girls team Captain Rebecca Fausset led from the front with individual victories in the open age freestyle and backstroke events. Rebecca Robinson swam beautifully to win the 14/u backstroke and Lucy Wetherill put in an impressive performance to win the 14/u fly event. Equally impressive was Gaby Davey's performance in securing victory in the 12/u fly event. Gaby Davey was then joined firstly by Beth Manning, Hanna Roe and Beth Humphries to win the 12/u freestyle relay; she then teamed up with Beth Manning, Beth Humphries and Emma Wellard to win the 12/u medley relay. Emma Wellard was joined by Rebecca Williams, Lucy Wetherill and Rebecca Robinson to win the 14u medley relay.

Not to be out done the boys were just as dominant with Callum Preece winning the 12/u fly and his brother Kyle Preece taking the 12/u backstroke. The twins were joined by Tommy Humphries and Joe Booth to win the 12/u freestyle relay and the 12/u medley relay. Joe Booth had a successful night also tasting victory in the 12/u freestyle event. Alex Wright-Jones impressed to win the 14/u breaststroke by quite a margin.

The team now head into round 3 sitting comfortably at the top of the table.

Team Manager Barrie Rayner was delighted with the teams effort.
